Order of the Bath, Lieutenant Governor of

The petition of Jacob Fraley

Shumbly Sheweth

That he has obtained

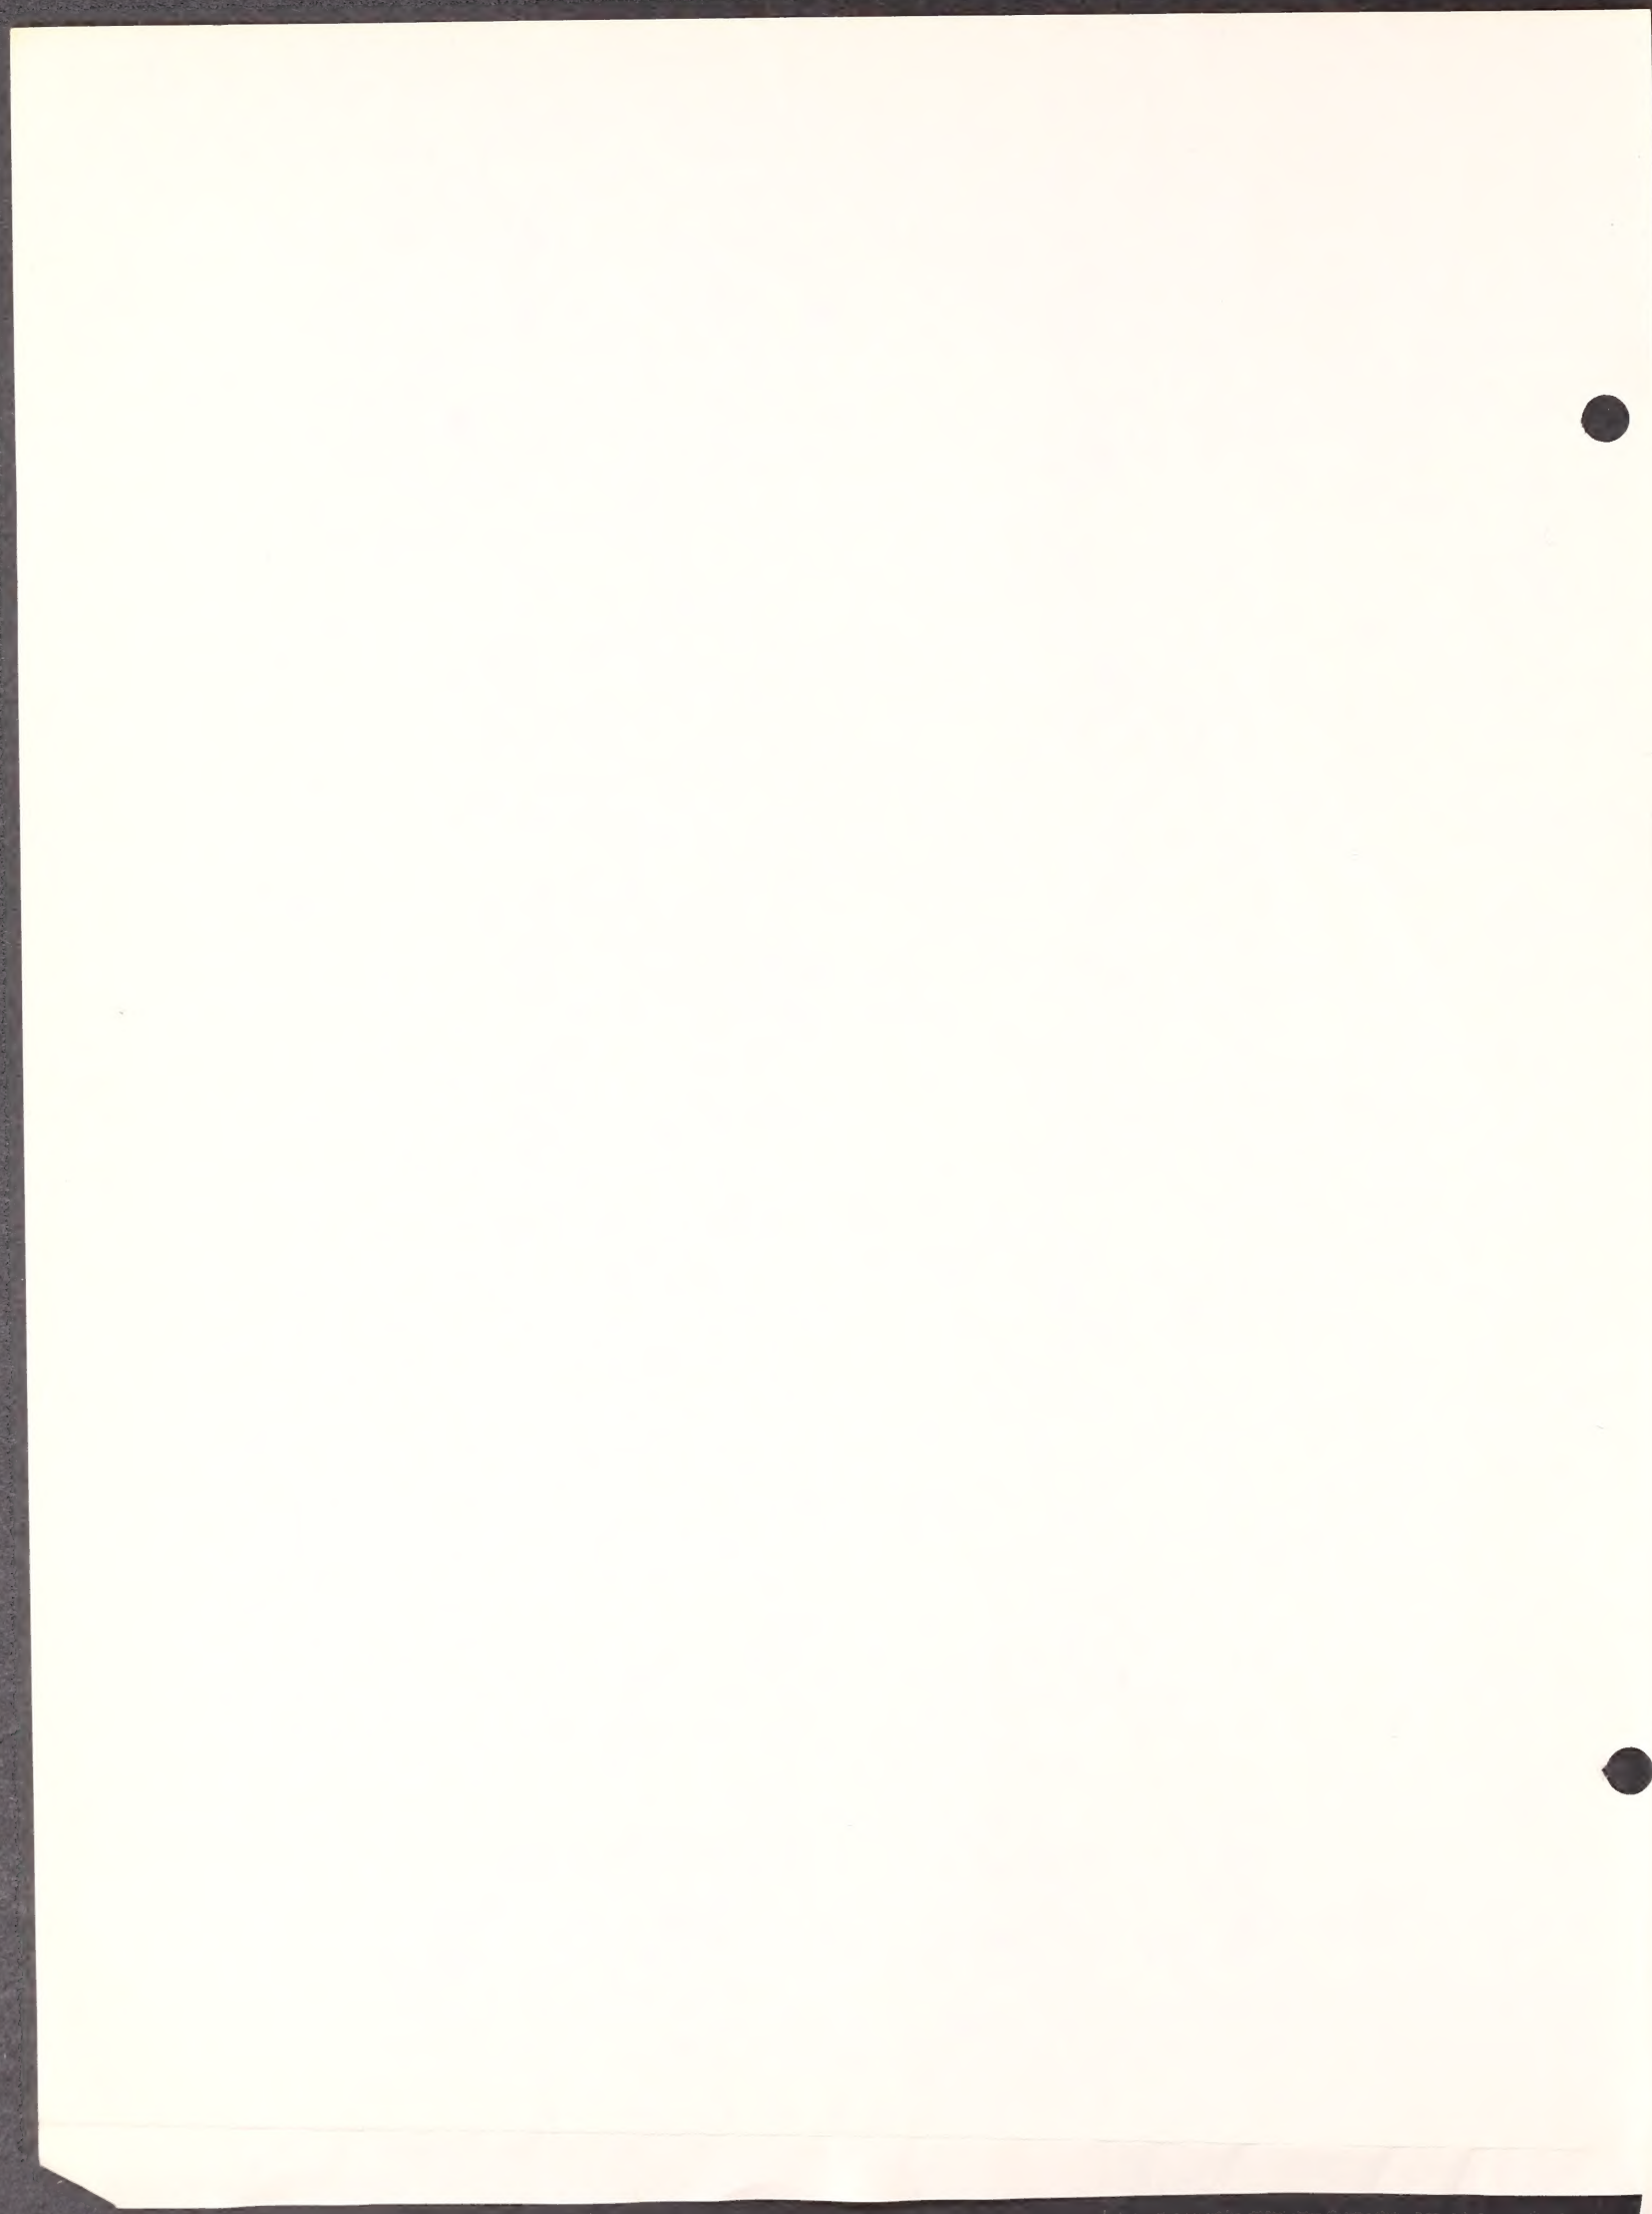

an order in Council for 200 acres of land as the son
of Christopher Fraley, a U. E. Loyalist, which was located
in the Township of Dover, but on account of the lot
being occupied by one of Lord Selkirk's settlers at the
time the location was made, although unknown
to the Surveyor General's office. However this was not
the fault of Your Petitioner. Your Excellency in Coun-
cil was pleased to disallow the issuing the deed to
Your Petitioner, agreeable to his location, but at
the same time by order in Council, authorised Your
Petitioner to locate his claim on any vacant land
in some other Township equally well situated. -
Your Petitioner therefore prays that Your Excellency

will be pleased to permit him to locate Lot No. 4
in the 8th Concession in the Township of Darling-
ton, that lot being vacant, and as in duty bound
will ever pray.

The petitioners request
to be allowed a special
location as not made
on the ground of his
being a U. S. Legationist,

his having lost his

It is a question

The Petition of Jacob Fratic of the Township of Sidney -

Humbly Sheweth,

That he was located some time ago on Lots 32 and 33 Baldoon Street, Township of Dover - that during the past year, after going to the expense of performing the settlement duty, he was informed by his Agent that a person had been placed on the Lots by Lord Selkirk previous to the said location, and now had made considerable improvement on the Lots - and therefore the Surveyor General had refused to issue a description for the lot to your Petitioner - your Petitioner would beg leave to state that the difficulty has originated altogether in the Surveyor General's Office as it cannot be supposed that your Petitioner had any knowledge of the said Settler

to be the sufferer which will be the case provided he is thrown out of the said lots; because if the present situation of the lots had been known at the time, your Petitioner would have located other lands in the same or some other favorable Township not now open for location, and therefore prays that a Deed may issue to him for the said lots, or should that be deemed inexpedient, to grant him the privilege of locating some of the vacant Crown Lands either in the said Township, or some other Township equally ~~to~~ situated—

The Petition of William Paul and

Humly Sheweth.

That your petitioners purchased the
portion of Lot ^{no 1} eighteen in the fourth
concession of Camden paying the

for it with the firm belief that there
would be no difficulty in securing a

That it is therefore not without much
alarm and uneasiness that your petitioners

the Grammar School of the aforesaid Township
That your petitioners have been notified
to quit the premises by the Trustees without
an offer of any Recompense for their

That conceiving as they do that it would

a manifest case of Extreme Hardship

the premises without a fair Remuneration
Your petitioners most humbly pray that
Your Excellency would Order that
the claims of your petitioners be
